- London Construction Now, the free daily e-mail newsletter for London's booming construction industry, has rapidly grown to become London's main source for daily construction news and leads.
- London Construction Now readers are decision makers.
- As well as surveyors, architects, engineers, contractors and property developers, we have a wide readership in the public sector among councils, housing associations and government bodies.
- Fast, free and focused, London Construction Now has become part of the daily routine for thousands in the London construction scene.
- Its daily mix of construction leads, news and announcements has made London Construction Now an essential read for active players in the industry.
- It is daily, direct and dynamic, offering real value to advertisers who can link adverts to their websites or e-mail addresses.
- Display advertisers appreciate the flexibility we offer, with boxes and banners carrying flashing messages and capable of being refreshed as required.
- With all the latest information emailed every morning to individual subscribers, who have signed up to receive the e-newsletters from www.constructionnow.co.uk (part of the housingnews.co.uk team) to ensure they are kept up-to-date with all the latest developments in their industry.

Opportunities are also available to use www.constructionnow.co.uk to fill your vacancies
